

National Finance Center Customer Notification

Date of Notification: January 14, 2011

Subject: Project 90589 - Sunset of EPIC Client

Database/Customer(s) Affected: All

Dear Customer:

The National Finance Center (NFC) would like to announce that effective January 24, 2011, Pay Period 02, the Entry, Processing, Inquiry and Correction System v03.01 (EPIC) Client application will no longer be available. The EPIC Client System v03.01 and History Correction Update Processing System (HCUP) v03.01 will be removed from the NFC Logon and Download Center. Agencies will have the option to have their Information Technology (IT) staff remove the NFC Logon icon from the employees' desktops.

Users that had access to EPIC Client should already have access to EPIC Web. If new users require access to EPIC Web, they will need to contact their Agency Security Officer.

As always, if you have any technical issues, please contact the NFC Operations and Security at 1-800-767-9641, 504-426-6435, or via email to OSC.ETIX@usda.gov.

Federal employees with questions concerning this notification should contact their Servicing Personnel Office. Authorized agency representatives with questions concerning this notification should contact NFC's Client Management Branch at Customer.Support@nfc.usda.gov.

"Tip of the Week"

As a reminder, SPSS Web allows agencies to process certain types of manual payments and adjustments without NFC's intervention to calculate and complete the transactions for processing.
